

PETITION

TO THE LEGISLATIVE ASSEMBLY OF ONTARIO:

WHEREAS the McGuinty government's proposed pharmacy changes represent a serious cut to front line health care services in Ontario; and

WHEREAS the McGuinty government is downloading health care costs onto pharmacists as a result of their mismanagement of Ontario's health care system; and

WHEREAS the McGuinty government is jeopardizing the essential health care services provided by pharmacists; and

WHEREAS despite paying over \$15 billion for the Liberal health tax, Ontarians are getting less and less health care.

WE, the undersigned, petition the Legislative Assembly of Ontario as follows:

That the McGuinty government stop downloading health care costs onto the backs of pharmacists.
